

TRAIL OF TEARS

They came with peace and promises, and left Christianity and death. The war began with the landing at Plymouth Rock in 1620 and ended at the Battle of Wounded Knee in 1890. **Within these 200 years, the so-called white man murdered well over 77 million Native Americans—Gadites; not to mention over 200 million + throughout all the Americas!** Countless men, women, and children were slaughtered to occupy stolen land and establish church and state. If we repent and keep the commandments, the tribe of Gad, along with the other 11 Tribes of Israel, we will overcome the wickedness and atrocities that were committed against us with **the second coming of Jesus the Christ, the Black Messiah!**

Revelations 2:26 And he that overcometh, and keepeth my works (The commandments) unto the end, to him will I give power over the nations:

THE TRUTH ABOUT NATIVE AMERICANS

Native Americans are a strong people and by blood line, a chosen people according to the Holy Bible! They are known as the tribe of Gad in the scriptures. Deuteronomy 33:20 And of Gad he said, Blessed be he that enlargeth Gad: he dwelleth as a lion (fierce warriors), and teareth the arm (The Blood Pact or Oath) with the crown of feathers. (The royal crown of feathers or the War Bonnet!)

Deuteronomy 33:21: And he provided the first part for himself, because there, in a portion of the lawgiver, was he seated; and he came with the heads of the people, he executed the justice of the lord, and his judgements with Israel. **The blessings that Gad—The Native Americans would receive, would be the first part of the land: The Main land of America.** The heads of the people were the tribes of Ephraim (Puerto Rico) and Mannaseh (Cuba). Gad executed judgement among the 10 tribes of Israel that migrated to the Americas some-time after the Assyrian captivity circa 722 B.C. **according to 2 Esdras 13:40-46**

Native Americans

STILL WEAR FRINGES!

This is a custom of the 12 tribes according to

Numbers 15:38

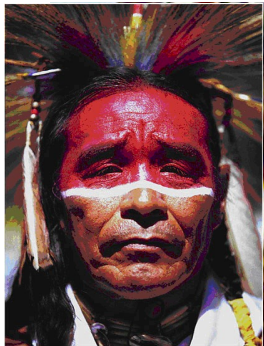

Who is Gad?

Gad was the 7th born son of Jacob. His name means "troop"
The word Indian comes from the Latin word "Indio", meaning slave.

1Chronicles 5:18 The sons of Reuben (Seminole Indians), and the Gadites, and half the tribe of Manasseh, of valiant men, men able to bear buckler and sword, and to shoot with Bow, and skillful in war,...

1Chronicle 12:8 And of the Gadites there separated themselves unto David into the hold to the wilderness men of might, and men fit for the battle, that could handle shield and buckler, whose faces were like the faces of LIONS (War Paint), and were as swift as the roes upon the mountains; (Known to be swift, elusive runners, and horse riders)

The Downfall of the Native Americans

According to **Deuteronomy 28: 15-68**, Israel was warned that if we do not keep the commandments God had given them, curses would fall upon us.

Deuteronomy 28:49 The LORD shall bring a nation against thee from far, from the end of the earth, as swift as the eagle flieth; a nation whose tongue thou shalt not understand; (English, French, Dutch, Spanish, etc)

50 A nation of fierce countenance, which shall not regard the person of the old, nor shew favour to the young:

Genesis 49:1 And Jacob called his sons, and Said, Gather yourselves together, that I may tell you that which shall befall you in the last Days.

19 Gad, a troop shall overcome HIM: but HE shall overcome at the last.

The troop that would overcome Gad was the **US Calvary led by Andrew Jackson.**

The Buffalo Soldiers, who were Israelites of the tribe of Judah, along with other Gadites such as the apache, Cherokee, etc, were tricked into aiding the Calvary in capturing many Indian nations, like the Red Sticks at the Battle of Horseshoe Bend in 1814. Jackson instituted the indian removal act of 1830, which deported thousands of Native Americans to an arid area west of the Mississippi River.

THOUSANDS DIED OF HUNGER, THIRST, AND DISEASE!
